2. Please give a concise statement of your protest. * (This section must be completed. Attach additional information if necessary.)

In the past year dominion has decimated our trees and our yards. They have made no progress with burying the lines which would make such measures unnecessary. They also release hundreds of thousands of gallons of water into lake Murray which killed countless fish. And now they expect to pass the cost of their irresponsible actions on to the consumer. Consumers that have no choice but to use their services.

3. Do you wish to make an appearance at a hearing in this proceeding, if scheduled, and offer sworn testimony? *

I'm no good at public speaking.
